S i r :

Pursuant to 37 CFR 1.181, we request supervisory review of this case. We made a routine status check through PAIR on October 4, 2006 (copy enclosed).

According to "Bibliographic Data", the status of this case is "Application Undergoing Preexam Processing", i.e., the PTO is not awaiting a response from applicants.

According to the "Transaction History", a "Notice of DO/EO Missing Requirements" was mailed February 24, 2006. We have not received such a notice. (We enclose herewith a docketing system report for this case, and copies of our incoming PTO mail log for the week beginning Monday, February 27. There was no mail from the PTO on Tuesday, February 28 or Thursday, March 2, so we only include log sheets for the other three days.)

Moreover, there is no copy of the alleged notice in the Image File History.

If no notice was in fact mailed, the Transaction History

USSN - 10/563,832

should be corrected.

If a notice was mailed, it should be vacated as obviously lost in the mail, and a new notice mailed.

Respectfully submitted,

BROWDY AND NEIMARK, P.L.L.C.  
Attorneys for Applicant
